

[Intro]

[Verse]

Where it began I can't begin to knowin'
But then I know it's growin' strong
Was in the spring, then spring became a summer
Who'd have believed you'd come along

[Pre-Chorus]

Hands, touching hands
Reaching out, touching me, touching you

[Chorus]

Sweet Caroline, good times never seemed so good
I'd be inclined to believe they never would / But now I'm

[Verse 2]

Look at the night and it don't seem so lonely
We 1erciò1 up with only two
And when I hurt, hurting runs off my shoulder
How can I hurt when holdin' you

[Pre-Chorus]

Warm, touching warm
Reaching out, touching me, touching you

[Chorus]

Sweet Caroline, good times never seemed so good
I'd be inclined to believe they never would / But now I'm

Sweet Caroline, good times never seemed so good
I'd be inclined to believe they never would / But now I'm

Sweet Caroline, good times never seemed so good
I'd be inclined to believe they never would / But now I'm

[Verse 1]

Love is in the air, everywhere I look around,
Love is in the air, every sight and every sound.
And I don't know if I'm being foolish,
Don't know if I'm feeling wise.
But it's something that I must believe in,
And it's there when I look in your eyes.

[Verse 2]

Love is in the air, in the whisper of a tree,
Love is in the air, in the thunder of the sea.
And I don't know if I am just dreaming,
Don't know if I'm feeling safe.
But it's something that I must believe in,
And it's there when you call out my name.

[Chorus]

Love is in the air, Love is in the air, Love is in the air.

[Verse 3]

Oh, love is in the air, in the rising of the sun,
Love is in the air, when the day is nearly done.
But I don't know if you're an illusion,
Don't know if I see the truth,
But there's something that I must believe in,
and you're there when I reach out for you.

[Chorus]

[Verse 1]

[Chorus]

[Verse 1]

Es war schon dunkel, als ich durch die Vorstadtstraßen heimwärts ging.
Da war ein Wirtshaus aus dem das Licht noch auf den Gehsteig schien.
Ich hatte Zeit und mir war kalt, drum trat ich ein.

Da saßen Männer mit braunen Augen und mit schwarzem Haar
und aus der Jukebox erklang Musik die fremd und südlich war.
Als man mich sah, stand einer auf und lud mich ein.

[Chorus]

Griechischer Wein ist so wie das Blut der Erde, komm schenk dir ein,
und wenn ich dann traurig werde liegt es daran,
dass ich immer träume von daheim, du musst verzeihn.
Griechischer Wein und die altvertrauten Lieder, schenk noch mal ein,
denn ich fühl die Sehnsucht wieder, in dieser Stadt
werd ich immer nur ein Fremder sein, und allein.

[Verse 2]

Und dann erzählten sie mir von grünen Hügeln, Meer und Wind,
von alten Häusern und jungen Frauen, die alleine sind
und von dem Kind, das seinen Vater noch nie sah.
Sie sagten sich immer wieder irgendwann geht es zurück,
und das Ersparte genügt zu Hause für ein kleines Glück,
und bald denkt keiner mehr daran, wie es hier war.

[Chorus]

[Verse 1]

**Something got me started
Lately since we parted**

**You know that I will love you
I truly know that I need you**

[Chorus]

**I give it all up for you
I give it all up for you
I give it all up for you (yes I)
I give it all up for you (yes I)**

**I give it all up for you
I give it all up for you?
I give it all up for you (yes I)
I give it all up for you (yes I would)**

[Verse 1]

**Totally broken hearted
Lately since we parted**

**Guilty of what I did to you
I truly know that I need you**

[Chorus]

**I give it all up for you
I give it all up for you?
I give it all up for you (yes I)
I give it all up for you (yes I)**

**I give it all up for you
I give it all up for you?
I give it all up for you (yes I)
I give it all up for you (yes I would)**

Come on now

**I give it all up for you
I give it all up for you?
I give it all up for you (yes I)
I give it all up for you (yes I)**

**I give it all up for you
I give it all up for you?
I give it all up for you (yes I)
I give it all up for you (yes I would)**

Well if you want to sing out, sing out
Cause there's a million things to be
And if you want to live high, live high
Cause there's a million ways to go

And if you want to be free, be free
You know that there are
And if you want to live low, live low
You know that there are

[Chorus]

You can do what you want, The opportunity's on.

And if you find a new way, You can do it today.

You can make it all true. And you can make it undo

You, see, Ahhh it's easy, AAhhhh, you only, need, to know.

Well if you want to say yes, say yes.
Cause there's a million ways to go.
And if you want to be me, be me.
Cause there's a million things to do.

And if you want to say no, say no.
You know that there are.
And if you want to be you, be you.
You know that there are.

Chorus]

You can do what you want, The opportunity's on.

And if you find a new way, You can do it today.

You can make it all true. And you can make it undo

You, see, Ahhh it's easy, AAhhhh, you only, need, to know.

Well if you want to sing out, sing out
Cause there's a million things to be
You know that there are
You know that there are-----,

And if you want to be free, be free
You know that there are
You know that there are
You know that there are----

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness, she is standing right in front of me
Speaking words of wisdom, let it be

[Chorus]

Let it be, let it be, let it be, let it be Whisper words of wisdom, let it be

[Verse 2]

And when the broken hearted people, living in the world agree
There will be an answer, let it be
For though they may be parted, there is still a chance that they will see
There will be an answer, let it be

[Chorus]

Let it be, let it be, let it be, let it be There will be an answer, let it be
Let it be, let it be, let it be, let it be Whisper words of wisdom, let it be

[Chorus]

Let it be, let it be, let it be, let it be Whisper words of wisdom, let it be

[Verse 3]

And when the night is cloudy, There is still a light that shines on me
Shine on till tomorrow, let it be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be

[Chorus]

Let it be, let it be, let it be, let it be There will be an answer, let it be
Let it be, let it be, let it be, let it be Whisper words of wisdom, let it be

[Verse 1]

There comes a time	when we heed a certain call
When the world	must come together as one
There are people dying	Oh, and it's time to lend a hand to
Life	The greatest gift of all

[Verse 2]

We can't go on	pretending day by day
That someone,	somewhere will soon make a change
We're all a part of God's	great big family
And the truth	You know love is all we need

[Chorus 1]

We are the world, we are the children
We are the ones who make a brighter day so let's start giving (M Jackson)
There's a choice we're making
we're saving our own lives
It's true we'll make a better day just you and me

[Verse 3]

Well, send'em you your heart	so they know that someone cares
And their lives	will be stronger and free
As God has shown us	by turning stone to bread
And so we all must lend a	helping hand

[Chorus 1]

We are the world, we are the children
We are the ones who make a brighter day so let's start giving (M Jackson)
There's a choice we're making
we're saving our own lives
It's true we'll make a better day just you and me

[Bridge]

When you're down and out	there seems no hope at all (
But if you just believe	there's no way we can fall
Well, well, well, let's realize	that a change can only come
When we ...	.. stand together as one

[Chorus 1]

//: We are the world, we are the children ://

Wind Nord-Ost Startbahn null
Wie ein Pfeil zieht sie vorbei,
Und der nasse Asphalt bebt,
bis sie abhebt und sie schwebt,

drei, bis hier hoer' ich die Motoren.
und es droehnt in meinen Ohren.
wie ein Schleier staubt der Regen
der Sonne entgegen.

Chorus

Ueber den Wolken, muss die Freiheit wohl grenzenlos sein.
Alle Aengste, alle Sorgen, sagt man, blieben darunter verborgen, und dann
wuerde alles, was uns gross und wichtig erscheint, ploetzlich nichtig und klein.

Verse 2

Ich seh' ihr noch lange nach,
Bis die Lichter nach und nach,
Meine Augen haben schon
nur von fern klingt monoton

seh' sie die Wolken erklimmen.
ganz im Regengrau verschwimmen.
jenen winz'gen Punkt verloren,
das Summen der Motoren.

Chorus: Über den Wolken

Verse 3

Dann ist alles still, ich geh',
Irgendjemand kocht Kaffee
In den Pfuetzen schwimmt Benzin,
Wolken spiegeln sich darin.

Regen durchdringt meine Jacke.
in der Luftaufsichtsbaracke.
schillernd wie ein Regenbogen.
Ich waer' gerne mitgeflogen.

Chorus: Über den Wolken
